Clarification on Bidder Questions:

- 1. Q: Tab #9 of the RFQ says that, "A potential firm must have an AM Best rating of B+ or better in order to qualify". If a company does not have an AM Best rating how do we need to handle this or do we simply not qualify?**

A: The Requirement is for the AM Best rating of B+ to be for the Contractor's bonding surety firm. This Requirement is not specifically for the Contractor.
