### ADDENDUM #2 RFP NO. 20-69-3150

For: To provide pavement condition ratings for various County roads on a per/mile cost rate, with a minimum of 300 hundred miles per year, beginning in 2020, and extended for up to three years if desired by the County.

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

#### Response to questions received: *(response in italics)*

1. The RFP states that the County has 1,160 miles of paved roads and the scope of work should include a minimum of 300 miles of pavement assessment annually. Are these mileage numbers lane miles or centerline miles? *300 miles per year, two lane.*
2. Can the County provide how much of the mileage is asphalt pavement and concrete pavement? *100 % Asphalt.*
3. Can the County provide a breakdown of the functional classification of the roadway network (arterial, collector, local, etc.) *List of Minor, Major Arterials, and Collector Roads was provided with Addendum #1. All other roads are Local.*
4. On Page 16, under Execution of Contract, it states that an executed contract will be returned with Payment Bonds and Performance Bonds. Please clarify the Bond Requirements for this project. *Bonds are not required*
5. Page 4 of the RFP, Item C – Owners Protective Liability Insurance – We have the coverage under our General Liability policy; is this sufficient or do you require a specialized/separate policy for this coverage? *General liability policy will be sufficient.*
