

Forsyth County Procurement
Stephanie Holbrook, Procurement Agent II

October 29, 2020

ADDENDUM #1
BID #20-155-2920

For: Purchase various Personal Protective Equipment as needed throughout the calendar year for various county departments.

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Questions/Revisions

- 1) In the quantity's column, we are not certain if the quantities listed are numbers of units or number of boxes? Please note, if it is per box, there is no box quantities given for the wipes, N95 mask, nor 16oz hand sanitizer with pump.
Answer: Please use revised Bid Specification sheet with the quantities listed
- 2) What is the FFP2 quality needed for the surgical mask? What level or ASTM?
Answer: Please refer to the revised Bid Specification sheet for these answers.
- 3) In what amount of time do you need delivery? Are you looking for product that is in stock or would there be a time to import 3-5 weeks?
Answer: These items will be purchased as needed throughout the calendar year for stock provided to various county departments.
- 4) Do you want flat or cone shaped N95's? Or should we quote both?
Answer: Quote both flat and cone shaped N95 see revised specification sheet.

- 5) Will Forsyth County Board of Commission waive Notary requirements due to social distancing during COVID-19?

Answer: This information is posted on the website www.forsythco.com, Due to the current circumstances surrounding the Covid-19 response we understand that business closings and social distancing have made it very difficult for potential bidders to locate a Notary Public to Notarize our bid documents. In order to alleviate some of the concern surrounding the Notary requirement Forsyth County will accept a copy of the bidder's driver's license in lieu of notarization of the documents, in cases where a notary cannot be located, for all Forsyth County solicitations until further notice.

- 6) Will Forsyth County Board of Commission waive the original signature requirement and accept electronic signature through DocuSign due to social distancing?

Answer: Forsyth County will accept DocuSign, but this is a sealed bid that must be printed and physically delivered to the Procurement Department.

- 7) Our hand sanitizer comes in an 18oz bottle will this be acceptable?

Answer: In the bid documents page 6 Substitutions, the specifications must meet or exceed the original bid specification request.

Sincerely,

Stephanie Holbrook
Procurement Agent II
