

Forsyth County Procurement

Greg Bridges, Procurement Agent III

October 6, 2021

ADDENDUM #1

Quote No. 21-140-1620

For: Providing all materials, equipment and labor to provide services for routine inspection, testing, and maintenance of Water Based Fire Protection Systems for various Forsyth County facilities for the calendar year 2022. This agreement will have the option for two (2) one (1) year renewals.

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Clarification on Bidder Questions:

- Q: How many and what type of fire sprinkler systems are at each location?**
A: *There are 21 total locations with one Wet Pipe System. There is 1 location with two Wet Pipe Systems, and 1 location with one Dry Pipe System, and 2 locations that feature 2 systems having both a Wet Pipe and Dry Pipe system.*
