#	Questions	Answers
1.	There is a sunken area in the corner of the playground parking lot, it's in an ADA parking space. How will this area be handled?	<ul style="list-style-type: none"> • Cut edges and square area that is damaged back to sound materials. • Clean out the area down to base. • If the base has failed clean down to natural grade. • Fill area with gravel to a level that matches existing base elevation to allow for new asphalt layer. • Tamp effected area prior to placing tack coat and new asphalt layer per project scope.
2.	There are numerous potholes on Loop 60 roadway and a couple of camping areas, will these have a patching specification?	See answer #1

3.	Some of the wheel stops in the camp site areas are concrete and some are wood. Will we remove these and replace the existing wheel stops or will we need to replace the wooden ones with concrete?	<ul style="list-style-type: none"> Place existing concrete and wooden wheel stops back in spaces. If the wooded wheel stops are damaged or falling apart dispose of them and do not replace.
4.	On page 57, Consent of Surety, the project description shows Trammel Rd right turn lane @ SR 20. We will need a corrected copy before our bonding company will supply a bond for this bid.	Shady Grove Campground - 7800 Allyn Lane Memorial Way Cumming, GA
