#### Questions:

- 1) Is there a minimum quantity that the county orders at a given time?
  - The quantity varies depending on how many volunteers/staff/team members that these need to be ordered for. The lowest quantity in the past has been roughly 30.
- 2) Is there a quantity of colors normally included on the design?
  - Typically the screen printed items are printed in black and white.
- 3) How many imprint locations are there typically?
  - Typically the items that will be ordered for this agreement will have 2 imprint locations: the front/front left chest and the back.
- 4) Would this opportunity be available for a California business?
  - Yes, you do not have to be located in the state of Georgia to do business with Forsyth County.
- 5) Is there a quote tabulation available?
  - Please find the previous tabulation attached.
- 6) Is there a current vector file and/or outline for the logo and the requested items?
  - Attached you will find a PDF file of the Forsyth County logo. I will also attach examples of some of the designs from this year for a few items. Please be advised that this design

could change for the next year. The awarded vendor will be advised when the need arises.
