

Forsyth County Procurement

Tyra Little, Procurement Agent III

April 8, 2021

ADDENDUM #2

Bid 21-60-3150

For: *To provide all materials, equipment, labor, and traffic control for the 5” thermoplastic striping and raised paving marker installation and for 4” painted striping of various roadways in Forsyth County, Georgia for calendar year 2021. This agreement will have the option for two (2) one (1) year renewals.*

This addendum supersedes and supplements all portions of the quote documents and becomes part of the quote documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided, or superseded hereby, the provision of such item not so specifically amended, voided, or superseded shall remain in effect.

Can you clarify the unit of measure for the crosswalks (pg.14, under Bid Schedule). It has "LS" as the unit, which I'm assuming stands for lump sum, but typically we would provide a price per linear foot.

Answers: *Replace the LS Thermoplastic Crosswalk item, with 8” White Thermoplastic Priced LF.*

Email address correction tlittle2@forsythco.com.
