ADDENDUM #3 Bid No. 20-45-2210

For: To provide installation of Emergency Equipment in Various Law Enforcement Vehicles for calendar year 2020 with available renewals. Approximately 60 vehicles to be upfitted in 2020.

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Questions/Revisions

1. For the Magnetic Mic Part MMBP-25, that is for a quantity of 25 of those parts. Is this correct?

Answer: There should only be one per car. Bid Specs have been updated.

I have attached on this addendum a copy of the new Bid Schedule. Please use this when submitting the bid. Also, a new spreadsheet has been created and has been posted onto the Bids & Results Page on the main page of this bid. It is titled Attachment A – Addendum 3. Please use this when submitting on your flash drive. Please let me know if you have any issues opening the spreadsheet.

Please note we are changing the Bid Opening process beginning 4/2/2020. Based upon COVID-19 and the multiple federal, State, and local directives against public gatherings, as well as those related instructions that all persons should engage in social distancing, Forsyth County will facilitate real-time, online, public viewing opportunities for the opening of bids.
