5.	Some of the retaining walls require brick veneer facing. There is not a Pay Item for brick veneer within each wall section. Will a Pay Item for Brick Veneer be provided where needed?	<p>Through coordination with Forsyth County, John's Creek and Alpharetta, our guidance was to provide the typical stone facing on walls located within John's Creek. Stone facing is detailed and includes a pay item on the face of Wall 16 and on the parapet for Wall 23. These pay items are also indicated in the summary of quantities on drawing 006-0014.</p> <p>Please be aware, the other special design retaining walls such as MSE walls and Soldier Pile walls require an Ashlar Finish that is included in the price of the walls. In addition, we have verified that there are no walls detailed with a bridge veneer.</p>
6.	Can you please clarify if the Contractor will be responsible for any testing or will Forsyth County/GDOT provide all testing?	Forsyth County will be responsible for all required material testing.
7.	SP 150.6 Traffic Control prohibits nighttime work. Would the County consider revising this requirement to allow for asphalt paving operations to be performed at night to limit excessive amount of traffic disruptions that will occur when paving work is happening?
