ADDENDUM #1

Quote NO. 21-122-3180

For: To provide all materials, equipment, and labor to purchase Vehicle Batteries As-Needed for Forsyth County on an annual pricing agreement for calendar year 2022. This agreement will have firm fixed pricing for calendar year 2022 with two (2) options to renew for one (1) additional calendar year.

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Notice

1. Are there specific vehicle size batteries in question here or would these just be a generic automotive size? The bidder will need to go by what is listed on the spec sheet on the quote.
2. Are special crank amp ratings required? Please review updated spec sheet
3. Are batteries in question for a wide variety of vehicles? Yes
4. Is there a battery group number – IE; Group 78, etc? Yes
