ADDENDUM #2

RFQ 22-41-1514

**Fowler WRF Return Flow to Lake Lanier
Engineering and Design Services
American Rescue Plan Act-State Fiscal Recovery Fund
Water and Sewer Infrastructure
Grant GA-000846**

For: Request for Qualifications for engineering and design services of the Fowler WRF Return Flow to Lake Lanier project.

This addendum supersedes and supplements all portions of the RFQ documents and becomes part of the solicitation documents for the above-referenced project.

Where any item called for in the scope of work is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided, or superseded hereby, the provision of such item not so specifically amended, voided, or superseded shall remain in effect.

SCHEDULE OF EVENTS:

- The Schedule of Events is revised as follows:
