ADDENDUM #4 BID NO. 20-124-1620

For: ***To provide all materials, equipment and labor for Cleaning services for various Forsyth County Buildings for calendar year 2021***

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any item called for in the specifications or indicated on the drawings is supplemented hereby, the original requirements shall remain in effect.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Questions received and responses ***(in italics)*** thereto:

1. Will there be a release of the floor plans or a total count of windows that will need to be cleaned at each facility listed within the bid? Or should vendors supply an additional page explaining the window cleaning fee cost annually?
Answer: Per the Specifications, the cleaning of all windows (inside and out) is to be bid per location as an Add On option to be performed once annually. No floor plans or window counts are available at this time. It is the vendors responsibility to visit the applicable sites to assess the site and all conditions that might affect the work.
2. Have there been any changes in building locations or square footage to be cleaned since the last bid tab?
Answer: Yes, there have been changes to both locations and square footage to be cleaned. All bidders should use the specifications, building locations and square footage details from the current solicitation to bid this work.

No further questions will be accepted.
