For: Wastewater Sample Lab Testing Services

This addendum supersedes and supplements all portions of the bidding documents and becomes part of the contract documents for the above-referenced project.

Where any original item is amended, voided or superseded hereby, the provision of such item not so specifically amended, voided or superseded shall remain in effect.

Clarification on Bidder Questions:

- 1. Q: We plan to bid Ba (Barium) for the metals. If Ga (Gallium) is needed, please confirm as none of our labs run this metal by 200.8?**
A: *The Metals EPA 200.8 ATL ICPMS should include Ba (Barium) instead of Ga (Gallium). This was a typo on the Quote Schedule.*
