#	Questions	Referenced Quote Sections	Answers
1.	It states that the panels are being relocated, where are the original panels located currently?		1 st floor – 2 panels at room 126, 2 at room 137, 4 at room 153, 1 at room 140, 3 at room 173 to be relocated at room 153. 2 nd floor – 4 panels at room 246, 6 panels at room 237 to be relocated at room 237.
2.	Which doors are access controlled? This would help in estimated footage for the cable pulls if the existing isn't long enough		There are multiple doors at every department/section of the building from north, south, east, and west.
3.	When will the award be made for this request?		This is scheduled for this calendar year budget.

No more questions will be accepted for this quote.
